AI for Water Damage Restoration — 4 Claude Skills ($29 Square zip or free manual copy) streamlines 24/7 water-loss messaging while leaving Category, Class, and drying equipment calls under certified IICRC S500 judgment. Projects run on **Claude Free ($0, up to 5 Projects)**, **Pro ($20/$17 annual)**, or **Team Standard ($20/$25)**. See **tygartmedia.com/claude-ai-pricing/** and **claude.com/solutions/small-business**.

1. Four Emergency Water-Loss Skills

- **1. Emergency Homeowner Communication:** First-hour dispatch texts, Category 3 plain-English briefings, daily moisture updates.
- **2. Insurance Mitigation Documentation:** On-site walkthrough summaries, photo narratives, itemized supplements, delay justifications.
- **3. Contents Pack-Out & Rebuild Letters:** Inventory explanations, lead-time warnings, completion walkthrough & carrier progress updates.
- **4. Plumber / PM / Storm Outreach:** <100-word partner notes plus 400-word homeowner first-hour freeze/pipe prep.

2. Non-Negotiable IICRC S500 Boundary

- Claude drafts clear language from your numbers — **it never selects Water Category, Evaporation Class, or dehu counts.**
- Keep redacted claim references inside your Project Company Context Sheet, Cat/Class explainer, and Carrier Standards doc.
