DIRECT ANSWER · VERIFIED 2026-11-13

Verified 501(c)(3)s and international equivalents qualify via **Goodstack** (~2–3 min) for **Nonprofit Standard at $8/user/mo** or **Nonprofit Access at $3/user/mo** (LMICs) on Claude Team (2–150 seats), plus custom Enterprise discounts (claude.com/solutions/nonprofits). Includes the **14-skill Claude for Nonprofits plugin**, Blackbaud/Benevity/Candid connectors, free GivingTuesday training, and $150M Claude Corps ecosystem support.

1. Built-In Nonprofit Stack (No Engineering Required)

- **14-Skill Nonprofit Plugin:** Pre-installed for qualifying orgs covering grant proposals, donor stewardship, board decks, and impact measurement.
- **Live Connectors:** Connect **Blackbaud**, **Benevity**, and **Candid** directly so Claude drafts against real donor, grant, and foundation records.
- **Model Parity:** Full access to **Fable 5.2**, **Opus 5.5**, **Sonnet 5.5**, and **Haiku 5.5** (1M context window on current generation).

2. Highest-Impact Mission Workflows

- **Grant Proposal Alignment:** Map program logic models and outcomes directly to each foundation's scoring rubric.
- **Program Impact Synthesis:** Turn spreadsheets, survey notes, and case metrics into donor-ready annual reports.
- **Lean Governance:** Default non-training Team privacy keeps beneficiary and donor PII out of model training.
