2. Core Capabilities & Technical Differentiation

Distinct dual-product setup: ziptie.dev (original indexing tool at dashboard.ziptie.dev) and ziptie.ai (modular 7-engine AI tracker billing strictly by prompts/engines with unlimited seats and projects).

- Transparent modular pricing where every AI engine carries identical unit cost with zero add-on engine surcharges
- Unlimited teammates, unlimited projects, unlimited competitors, and shareable client reports never billed extra
- Native Google Search Console, GA4, organic Google/Bing comparison, and UGC Impact Analysis
- Explicit product separation: legacy ziptie.dev indexing suite continues running alongside the newer ziptie.ai platform

3. Buyer Fit & Ownership Context

Ideal Buyer Fit: Technical SEOs and multi-client agencies who want granular prompt/engine cost control without per-seat or per-project penalties.

Corporate & Ownership Verification: Independent company (ZIPTIE, INC.); ziptie.dev redirects visitors to ziptie.ai/welcome/ clarifying both products remain live.
